[sales@conceptmetal.co.uk](mailto:sales@conceptmetal.co.uk)

### Cutting & Punching

Kimla Powercut 6kw Fibre Laser 10m x 2m

Kimla Powercut 4kw Fibre Laser 10.2m x 2m

Kimla Powercut 6kw Fibre Laser 4m x 2m

Amada EML (Combination punch / laser) –1.8m wide bed size x 6mm thick

Geka Hydracrop – 50ton capacity punch

Edward Pearson 4m Guillotine 10mm Mild Steel 5mm Stainless Steel

### CNC Press Brakes

LVD 9.2mtr Tandem Press Brake 640 ton, 4.6mtr individual

Edward Pearson 7.2m 640 ton

Edward Pearson 5.2m 640 ton

Edward Pearson 5.2m 330 ton

3 x Edward Pearson 4.1m 250 ton

Edward Pearson 1m 30 ton

**\*\*10mtr 1000tonne coming soon\*\***

# Other Services

## CAD

In house computer aided design department using the most up to date RADAN software and KIMLA nesting software.

2D and 3D modelling and development undertaken.

Direct link to laser and punch machines.

## Welding

Full range Mig, tig and electrical Arc welding equipment on Mild Steel, Stainless Steel and Aluminum

## Drilling, Tapping & Countersinking

Radial Arm Pillar Drill

## Bevelling

Trumph TruTool TKF 1500 2 Speed with forward feed. 6-20mm thick plate @20-55 degrees

## Rolling

3000mm pyramid power rollers

Various small hand rollers

## Transport

2x 7.5ton DAF Flat Bed Trucks

Isuzu D-MAX Single CAB Pickup Truck

## ISO 9001:2015
